

# JOEST at IFAT in Munich!

Categories: JOEST,Recycling

Published May 27,2022

At IFAT worldwide 2022 we are presenting the Flip-Flow Screen OSCILLA Family and our new J-Flow Air Separator. For deeper insights into our products and solutions visit us at our **JOEST booth B6.552** and get in touch with our experts.

We are looking forward to welcoming you at our booth next week!
